To those who do not know about Mario and Andrew " they are two boys" aged 13 years old, Coptic (Egyptian) Christians were born & live at Alexandria Egypt. They are the result of a successful love story & religious marriage in the Church between Medhat a Coptic Christian Sea Captain and Camillia also Coptic Christian Taxation Expert.

The differences occurred when Mario& Andrew became 6 years old . Their father left home on the impact of an affair with a Muslim woman . The Christian man (Medhat) was to change his religion to Islam if he had to marry a Moslem Woman, the Shariat obliged him to do so. When the same Shariat permits Moslems to marry Christian Women, without any need for the woman to convert to Islam! however if the woman do not convert to Islam later she would not be consider for inheritance of her husband, Christians forbidden from inheriting Muslims in Shariat law.

In Egypt , the Islamic Shariat Law was put to act in the Egyptian constitution Since 1978 By former president Sadat at the request of Al Azhar the highest Islamic organization in Egypt and under pressure from the illegally and forbidden Moslem Brotherhood (Alekhwan Al Moslemoon) who happen to be Sadat's allies. This is the same group later assassinated Sadat in a power struggle in October 1981.

Medhat tried to force his wife to be Moslem wife so he can combine her with his new Moslem wife. As the Islamic Shariat Law gives him the right to marry 4 wives at the same time sharing the same house , the Christian wife totally refused. The stranded man to the Islamic Shariat Law abandoned his wife and the two kids, he did not even support her or their children for years, he didn't even divorce her. In top of all of this, he requested full custody of the two boys after they reached the age of 13.

Medhat The father of the twins decided to take a tragic action against his twin MARIO & ANDREW. He changed their religion to Islam in their Birth Certificates without their consent. In Egypt, the government forces every citizen to name his or her religion in Identification cards and all official documents. Then the Ministry of Education forced them to be write the final year end exam in the Islamic religion, because they became Muslims, regardless of being under full custody of their Christian mother and they are suppose to write the religion exam in Christianity .

The twin refused the change and did not accept to become Muslims; they bravely wrote in the official yearend exam "WE ARE CHRISTIANS."

The other reason they wrote, "WE ARE CHRISTIANS." They didn't study Islam during the year as they were Christian. The school failed them and they have to redo the whole year although they rank amongst the top in their academic studies.

the Islamic Shariat Law states that Islam predominate to Christianity and all other religions on earth and in heaven according to God Judgment in Quran the Muslim's holy book of Islam

In the Islamic Shariat Law, the children of a converted Christian to Islam MUST BE AUTOMATICALLY MOSLEMS.

The father insisted to force them to change and supported by the corrupted Islamic regime, which is known about it to be influenced by the Wahabbi Kingdom of Saudi Arabia

Let us go back to study the contrast of the behavior of the Egyptian President Mubarak to the Moslem Children compared to non Moslem children , you honestly can apply the double personality mental illness and call him Dr. Jekyll and Mr. Hyde .

President Mubarak share the very same character of the contradictory personalities of Dr. Jekyll and Mr. Hyde,

He insisted to keep the Islamic Shariat Law in article II of the Egyptian Constitution , refused to repeal or amend article 2 to consider other religions, when Christians population near 15 Million or 15% ~18% of population. The Government of Egypt refuses to publish the proper count of Christians in Egypt since the Muslims brotherhood supported and aided the July 1952 Military coup against the King of Egypt.

This racist behavior but expected from a Muslim ruler is the direct result to what the Christians Egyptians are suffering from in the past 25 years and still counting. The Christians Egyptians (The Copts) since Sadat came in power and till today facing official terrorism , forced islamization , brutal killing , church burning & priests killing , kidnapping and raping minor Christian girls.

the Islamic Shariat Laws undermined the principle of freedom of religion and equality of all citizens. Under the rule of Islamic Shariat law , all non Moslems are Infidels and should be converted to Islam, killed or live as second class citizens and pay Gyziam (Zemmes) .

2 years ago Mubarak Jekyll and Hyde took a lenient action towards a Moslem girl student named A ala al lot older than Andrew and Mario, When she wrote a political essay in the Arabic language exam that has nothing to do with the question posed and was full of demeaning and very impolite personal insults to president George Bush & USA. When the school "failed" her, the school failed her as a result, Mubarak quickly intervened and invited the student and her father in his presidency palace and rewarded instead and also immediately ordered the Ministry to consider her as successful and changed her failing marks .

We all know USA donate more than 2 billion dollars to Egypt since 1975 , at least you would've expected Mubarak would explain to the student that we must respect democratically elected presidents at least to thank the American people of their annually paid gift .

President Mubarak intervened in the Muslims Girls circumcision after a 10 years old Moslem Girl named Bedour died during this barbaric savage custom. The Islamic custom is spread all over the Moslem World against Innocent under age Moslem Girls (Muslims practice the same thing in the democratic countries where they live, Muslims doctors intently do not report such crimes . Mubarak ordered the -Mufti, the high ranking Moslem religion Cleric who happen to be an employee reporting to the President and under his the authority to Issue a Fatwa to stop this Islamic crime.

We shouldnâ€™t forget Mubarak sympathy showed towards the killing of Palestinian boy Mohammed Al-Durra, by Israelis where an official compulsory mourning applied by his order to the state TV and Radio also Egyptian newspapers, although Mr. Mubarak did all that good as Dr. Jekyll for his Moslem brothers, and he only shows his true face of Mr. Hyde to the Copts Christians citizens.

The most glamorous theatrical appearance for Mr. Mubarak Hyde was a year ago when Mr Mubarak called a TV talk show and he showed his concerns about two under aged Christian females Marian and Christine kidnapped and disappeared for almost 2 years ago when they were 16 and 14 years old. The following day after disappearance of two years they appeared on a DVD movie in the streets of Cairo appeared pregnant and wearing Nikkab dressed in black from top to bottom and converted to Islam by two Muslim Goons . The girls were kidnapped and rapped by their now called husbands who are two of very low life Muslims Goons. Who work as grooms, and uses donkey to transport any thing from building materials to cow dung a very low social level? In the meantime, their father and mother considered from the upper middle class. The outlawed terrorist Muslim Brotherhood and the protection and cover of Mubarakâ€™s security forces financed the kidnapping. This is not just one case there are hundreds of such similar cases happen every year

It is against the law to change minorâ€™s religion without the consent of his or her legal guardian , Al Azhar the highest religious authority quickly changed their religion to Islam . What is considered amazing and troubling this action is against the Law of the Land and the law of Al-Azhar itself .

In the TV show we mentioned above the one Mubarak called, they brought the mother of the two kidnapped girls. She was crying her heart out, she havenâ€™t heard any thing about her daughters for two years. She asked the police to help her find her daughters and they gave her no answer or support whatsoever for 2 years . But suddenly the security force released a DVD the following day shows the two girls dressed in Wahabbi cloth and pregnant

Mr. Mubarak gives the green light to Moslem sheikhs and Writers to insult and undermine Christianity & Christian leaders in the publicly owned Mosques , TV , Radio and Newspapers without giving Christians any right to reply .

Now, Mubarak Mr. Hyde regime insists that Andrew and Mario twins suffer because they rejected to be converted to Islam by force.

Why you impose Islam by force THEY ARE Christians since its conception , showed a genuine desire to stay genuine Christians

We ask Mubarak why you are after the aboriginal Egyptian the Christians Copts the very peaceful people.

In all fatal shooting and killing cases all over Egypt you will find the security forces involved in cover ups and guarding the assailants.

Mubarak Mr. Hyde : would like to see Mario and Andrew martyrs, they became a living proof of our Coptic Martyrs when they testified and defended their religion over the past 14 centuries since Islam and Muslims invalidated Egypt .

Mubarak personality disorder double psychopath negatively destroying the lives of 15 Million Christians in Egypt.

Mubarak needs to be cured of his illness and stay as Dr. Jekyll to all Egyptians instead of being Mr.Hyde to the Christian Egyptians

THIS IS A CRY FOR HELP DIRECTED TO ALL FREE DEMOCRATIC WORLD TO STOP THE ISLAMIZATION BY FORCE IMPOSED ON THE MINOR TWINS MARIO & ANDREW ALSO TO STOP THE KIDNAPPING & RAPING OF THE COPTIC CHRISTIAN Women and Girls UNDER THE PROTECTION OF EGYPTIAN GOVERNMENT FINANCED DIRECT BY the PETRODOLLAR Kingdom OF SAUDI ARABIA
